CREDIT RESTORATION SUPPORT

A step-by-step approach to “how to”; get out of debt --empowering and supporting every step of the way.

Connecting faith and community organizations – to serve the community together.

OUR HISTORY

The G.R.E.E.N Foundation was founded in September 2003, located in Orange County, and Oakland, California. In just one short year in 2004 the organization was awarded subcontract funding from a Community Compassionate Funding through the federal government, which enabled the organization to expand services to Oakland, Hayward, Richmond California; and in 2005 expanded our services in Detroit, MI and Washington, D.C, Seattle, WA

Race for the Cure – Susan G.Komen for the Cure Orange County Affiliate

For the last 4 years the number of organizations served 45 grassroots, community/faith based organizations. Presented over 8 Health Education Forums; 29 Breast health presentations and partnered with numerous local and national organizations.

Our newest programs:

Patient Navigation Program 2007.

Certified Breast Health Advocates 2008
